**Independent Accountants' Report
on Applying Agreed-Upon Procedures**

Management:
Tremont Capital Management Inc.
555 Theodore Fremd Avenue
Rye, New York 10580
Attention: John Silletta

We have performed the procedures enumerated below, which were agreed to by Tremont Capital Management Inc. (the "Company"), and Citibank, N.A. in evaluating the investment balances of American Masters Broad Market Prime Fund, L.P. (the "Fund") at October 31, 2005 and December 31, 2005, pledged to secure the balances, as of those dates, for a revolving line of credit between the Fund and Citibank, N.A. The Fund's management is responsible for the preparation of the monthly Investor Reports, and the maintenance of the proper amount of eligible investment assets for use as security for the Citibank N.A. revolving line of credit. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Our procedures and findings were as follows (capitalized terms used but not defined herein shall have the meaning assigned to them in the Program Documents):

I. Portfolio Data Integrity Test

Obtained a copy of the monthly Investor Reports for the months ended October 31 and December 31, (the "Selected Investor Reports") and performed the following procedures:

1. Randomly selected a sample of up to 25 Borrowing Base Eligible Assets, for each month, from the "Eligible Equities" or "Other Eligible Asset" worksheets (the "Eligible Security Worksheets") and all contracts reported in the "Options" worksheet. Compared the input information by the General Partner in the Eligible Security Worksheets and the Options worksheet (input sections only) to the Fund's supporting documentation, including the respective monthly statement received from the Account Manager and noted the following exceptions:

October 2005

We noted that for the U.S. Treasury Bill selected from the "Other Eligible Asset" worksheet of the October "Select Investor Report", an incorrect maturity date (10/15/2005) was recorded. We were not able to agree this U.S. Treasury Bill to the Fund's schedule of investments in the December 31, 2005 financial statements.

The October sample selected was as follows:

CUSIP #	Eligible Asset Security	CUSIP #	Eligible Asset Security
11764100	Chevron Corp.	852061100	Sprint Nextel
17275R102	Cisco Systems	882508104	Texas Instrument

806857108	Schlumberger Ltd	783790WJB	RZAWJ OEX Put Nov 2005 @ 550.00
		Not Applicable	US T-Bill

December 2005

We noted that the Selected Investor Report for the month of December 2005 did not include a detailed breakdown or listing of the U.S. Government Securities held by the Fund. We were therefore not able to perform this procedure.

2. For the sample selected in step 1 above, we compared each of the assets selected from the Eligible Security Worksheets to the criteria for Borrowing Base Eligible Assets, as described in the Program Documents (attached as Appendix I) and noted the following exceptions:

October 2005

KPMG noted that one security in our sample "Viacom Inc-B", is not a component of the OEX Index.

December 2005

We noted no exceptions with respect to this procedure.

3. For any contracts selected from the Options worksheet, confirm that such contracts were purchased in accordance with the Summary of Terms (attached as Appendix II).

October 2005

We noted no exceptions with respect to this procedure.

December 2005

Not applicable as no option contracts were held by the Fund as of December 31, 2005.

4. For the sample selected in step 1 above, obtained independent market prices from Interactive Data Corporation or Bloomberg (the Pricing Services) as of the close of business for each respective month-end date. We noted differences between the independent market prices and the market prices included on the Selected Investor Reports, as follows:

October 2005

We noted differences for two securities as of October 31, 2005:

Security Description	# of contracts	Market Value From Select Investor Report	Price Per Contract Per Fund's Trial Balance	Price Per Contract Per the Pricing Services	Market Value per the Pricing Services	Difference
RZAKK - 555 Call	15,689	92,565	5.90	4.60	72,169	20,396
RZAWJ - 550 Put	15,689	72,169	4.60	1.20	18,827	53,342

December 2005

We noted that the Selected Investor Report for the month of December 2005 did not include a detailed breakdown or listing of the U.S. Government Securities held by the Fund. We therefore agreed the securities held from the Fund's general ledger as of December 31, 2005 obtained from management to an independent pricing source and noted differences for the securities selected, as follows:

	CUSIP	Investment	Maturity	Par Value	Value From General Ledger	Independent Market Value	Difference
1	912795WM9	US T-Bill due	2/2/2006	391,000,000	\$88,124,504	\$88,124,209	(\$295)
2	912795WN7	US T-Bill due	2/9/2006	391,000,000	\$88,059,936	\$88,060,156	\$220

6	912795WS6	US T-Bill due	3/9/2006	391,000,000	\$87,778,665	\$87,778,665	\$0
7	912795WT4	US T-Bill due	3/16/2006	391,000,000	\$87,712,327	\$87,712,425	\$98
8	912795WU1	US T-Bill due	3/23/2006	391,000,000	\$87,634,491	\$87,634,294	(\$197)
9	912795WV9	US T-Bill due	3/30/2006	391,000,000	\$87,568,154	\$87,567,711	(\$443)
10	912795XA4	US T-Bill due	5/4/2006	391,000,000	\$87,190,472	\$87,190,816	\$344

12	912795XC0	US T-Bill due	5/18/2006	1,000,000	\$98,405	\$98,405	\$0
Total					\$878,041,918	\$878,041,374	(\$544)

5. For the month ended December 31, 2005, compared the aggregate market value of all of the assets included on the Eligible Security Worksheets plus the Options worksheet to the total of the portfolio of investments included in the Fund's audited financial statements for the year-ended December 31, 2005. We noted any differences along with a detailed explanation on why such assets are not being included in the Selected Investor Report as follows.

Asset Value per Investor Reports:	\$897,880,500
Portfolio Investments per Financial Statement	<u>\$878,041,900</u>
Difference	\$ 19,838,600

As represented by Patrick Kelly, Senior Vice President, the difference is due to a data entry error. The asset value on the Select Investor Report should in fact be \$878,041,900.

II. Other Data Integrity Test

For the Selected Investor Reports, we performed the following:

1. Compared the "Cash" (as reported on the Selected Investor Reports) to the Fund's bank statements provided by the Cash Account Bank and noted the following:

October 2005

We noted no exceptions with respect to this procedure.

December 2005

We noted the following exceptions:

Cash per Selected Investor Report	\$23,683,674
Cash per bank statement	<u>\$27,338,114</u>
Difference	\$ 3,654,440

2. Compared the "Net Assets" (as reported on the Selected Investor Reports) to the Fund's supporting documentation and noted the following exceptions:

October 2005

Net Assets per Selected Investor Report	\$672,522,615
Net Assets per October 31, 2005 trial balance	<u>\$671,861,510</u>
Difference	\$ 661,105

December 2005

Net Assets per Selected Investor Report	\$685,550,579
Net Assets per December 31, 2005 trial balance	<u>\$625,266,704</u>
Difference	\$ 60,283,875

3. Compared the following other information (as reported on the "Input" worksheet) to the Fund's supporting documentation (source is indicated parenthetically below) including:

- Date of Report
- LIBOR (obtained by the Company from the www.bba.org.uk website)
- Yield Accrued and Unpaid (not applicable)
- Advances Outstanding (obtained from the Fund's trail balance)
- Applicable Margin (obtained from the Program Document)

We noted the following exceptions:

October 2005

	Per "INPUT" worksheet	Per the Fund's Supporting Documentation	Difference
Date of Report	10/31/2005	10/31/2005	-
LIBOR	3.48%	4.09%	-0.61%
Yield Accrued and Unpaid	-	-	-
Advances Outstanding	220,000,000	220,000,000	-
Applicable Margin	1.00%	1.00%	-

December 2005

	Per "INPUT" worksheet	Per the Fund's Supporting Documentation	Difference

Applicable Margin	1.00%	1.00%	-

4. Recalculated the "Accrued Interest for 60 Days" (Accrued Interest is calculated at the Assignee Rate of 1-Month LIBOR plus the Applicable Margin). Compared the LIBOR rate being used to the rate obtained from Bloomberg and noted the following exceptions (detail of the recalculation is included as Appendix III):

October 2005

	Fund Amounts	Our Recalculation	Difference
Principal Outstanding	220,000,000	220,000,000	-
Rate (1m LIBOR + Spread)	3.65%	4.39%	0.74%

We noted no exceptions with respect to this procedure.

We noted no exceptions with respect to this procedure.

We were not engaged to, and did not, perform an examination, the objective of which would be the expression of an opinion on the Selected Investor Reports of the Fund, and the specified elements, accounts or items thereof. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

The results of the above procedures are based solely on the internal documentation provided to us by the Company. We performed no procedures and make no comment with respect to the completeness accuracy or validity of the underlying data provided by the Company.

This report is intended solely for the information and use of the specified users listed above and is not intended to be and should not be used by anyone other than the specified parties.

On the terms and conditions hereinafter set forth, including without limitation, Sections 3.01 and 3.02, the Conduit Lender may, in its sole discretion, make Advances to the Borrower on any Borrowing Date from the date hereof to the Termination Date. To the extent that the Conduit Lender has determined not to make an Advance to the Borrower, on the terms and conditions hereinafter set forth, including without limitation, Sections 3.01 and 3.02 and during the period from the date hereof to the Termination Date, the Secondary Lenders shall make Advances to the Borrower, ratably in accordance with their respective Secondary Lender Commitments. Under no circumstances shall the Conduit Lender or any Secondary Lender make any Advance, to the extent that after giving effect to the making of such Advance and all other Advances to be made on such date the aggregate principal amount of all outstanding Advances would exceed the Total Commitment.

SECTION 2.02. Making of Advances.

If the Borrower desires to receive a borrowing under this Agreement it shall give the Agent written notice (which notice shall be irrevocable and effective only upon receipt by the Agent) of each request for an Advance (each such request a "Notice of Borrowing") not later than 12:00 noon (New York City time) on the day which is two (2) Business Days prior to the proposed borrowing date, which notice shall specify (i) the proposed borrowing date therefor (each such date, a "Borrowing Date"), and (ii) the aggregate principal amount of the proposed borrowing (the "Requested Amount"). Any such Notice of Borrowing shall be substantially in the form of Exhibit B hereto, dated the date such request is being made, signed by a Responsible Officer of the Borrower and otherwise appropriately completed. The Requested Amount specified in any Notice of Borrowing shall be at least \$1,000,000 and in integral multiples of \$100,000 in excess thereof. During the period prior to the Termination Date, the Conduit Lender shall promptly notify the Agent whether it has determined to make a proposed Advance and the Agent shall promptly thereafter notify the Borrower whether the Conduit Lender has determined to make such Advance. If the Conduit Lender has declined to make such proposed Advance, the Agent shall promptly send notice of the proposed borrowing to the Secondary Lenders concurrently by telecopier, telex or cable specifying the Borrowing Date for such borrowing, each Secondary Lender's Percentage multiplied by the principal amount of such Advance and whether the Yield for such Advance is calculated based on LIBOR or the Alternate Base Rate. On each Borrowing Date the Conduit Lender or the Secondary Lenders shall, subject to the terms and conditions of this Agreement, make available to the Borrower at the Borrower's Account the Requested Amount in immediately available funds. To the extent not covered by Section 2.08, such Borrower shall indemnify the Conduit Lender, each Secondary Lender and the Agent against any loss or expense incurred by them as a result of any failure by the Borrower to accept any Advance requested in a Notice of Borrowing or as a result of the Borrower failing to satisfy any condition precedent to the making of such Advance to be satisfied, including, without limitation, any loss or expense incurred by reason of the liquidation or reemployment of funds acquired or requested to fund such Advance.

SECTION 2.03. Noteless Agreement; Evidence of Indebtedness.

(a) Each Lender and Secondary Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to it and resulting from each Advance made to the Borrower, from time to time, including the amounts of principal and Yield thereon and paid to it, from time to time hereunder.

(b) The Agent shall maintain accounts in which it will record (i) the amount of each Advance made hereunder to the Borrower and the Settlement Period with respect thereto, (ii) the amount of any principal and Yield due and payable or to become due and payable from the Borrower to the each Lender and Secondary Lender hereunder, and (iii) the amount of any sum received by the Agent hereunder from the Borrower and each Lender's and Secondary Lender's share thereof.

(c) The entries maintained in the accounts maintained pursuant to clauses (a) and (b) of this Section 2.03 shall be rebuttable presumptive evidence of the existence and amounts of the Borrower Obligations therein recorded; provided, however, that the failure of the

Agent, any Lender or any Secondary Lender to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Borrower Obligations in accordance with their terms.

(d) Any Lender or Secondary Lender may request that its Advances be evidenced by an Advance Note. In such event, the Borrower shall promptly prepare, execute and deliver to such Lender or Secondary Lender, as applicable, an Advance Note payable to the order of such Lender or Secondary Lender. Thereafter, the Advances evidenced by such Advance Note and interest thereon shall at all times (including after any assignment pursuant to Section 9.06) be represented by one or more Advance Notes payable to the order of the payee named therein or any assignee pursuant to Section 9.06, except to the extent that such Lender, such Secondary Lender or assignee subsequently returns any such Advance Note for cancellation and requests that such Advance once again be evidenced as described in clauses (a) and (b) of this Section 2.03. In connection with any assignment pursuant to Section 9.06, if any assigning Lender or Secondary Lender shall have an Advance Note issued to it, such assigning Lender or Secondary Lender shall promptly return its Advance Note to the Agent marked "cancelled".

SECTION 2.04. Maturity of the Advances.

The principal amount of and the accrued and unpaid Yield to the extent not paid pursuant to Section 2.06 on each outstanding Advance shall be due and payable by the Borrower on the Maturity Date for such Advance.

(a) The Borrower shall have the right at any time and from time to time, upon not less than two (2) Business Days' prior written notice in the form of Exhibit C hereto or telephonic notice (in the case of telephonic notice, promptly confirmed in writing in the form of Exhibit C hereto) to the Agent specifying the date and amount of such prepayment, to prepay all or a portion of the outstanding Advances, together with unpaid Yield thereon, on a Business Day; provided, that any such prepayment, if a partial prepayment, shall be at least \$1,000,000 and an integral multiples of \$100,000 in excess thereof.

(b) If on any Compliance Determination Date the Borrower is not in full compliance with the NAV Test or the Borrowing Base Test (each a "Borrowing Limit"), the Borrower shall (i) on such Compliance Determination Date notify the Agent of such failure to comply, and (ii) prepay Advances in a principal amount (and pay the Yield thereon) necessary to cause it to be in full compliance with each Borrowing Limit, provided, however, that to the extent the Borrower does not have sufficient available funds to prepay the Advances in an amount sufficient to cure such compliance shortfall on such Compliance Determination Date, then it shall (i) on such Compliance Determination Date prepay outstanding Advances in the amount of its available funds; (ii) no later than the close of business on the sixth Business Day following such Compliance Determination Date cause the Account Manager to sell such portion of its Assets as shall be necessary for it to prepay the Advances in an amount necessary (1) if the affected Borrowing Limit is the NAV Test, to cause the NAV of the Borrower (as determined as of such Compliance Determination Date) to exceed the product of (x) 1.05 and (y) the amount which is 300% above Credits Outstanding (as determined as of such Compliance Determination

Date), and (2) if the affected Borrowing Limit is the Borrowing Base Test, to cause the Borrowing Base to be at least equal to the product of (x) 1.05 and (y) Credits Outstanding (as determined as of such Compliance Determination Date); and (iii) no later than the close of business on the second Business Day following such Compliance Determination Date, deliver to the Agent a certificate, signed by an authorized officer of the Borrower, that (1) certifies the amount of the compliance shortfall, (2) specifies the instruction or redemption requests delivered to the Account Manager in order to satisfy the requirements of clause (ii) of this Section 2.05(b), and (3) certifies that the requirements of this Section 2.05(b) shall be satisfied on or prior to the sixth Business Day following such Compliance Determination Date.

(c) If at any time the aggregate credit extended by the Lenders and the Secondary Lenders in connection with this Agreement exceeds the sum of (x) the product of (a) the Margin Stock Percentage multiplied by (b) the current market value (as defined in Regulation U) of all Margin Stock of the Borrower, plus, (y) the good faith loan value (as determined in accordance with Regulation U) of all other Assets of the Borrower, the Borrower shall immediately prepay the outstanding Advances in an amount equal to such excess, together with all accrued and unpaid Yield thereon.

(d) If at any time OppenheimerFunds, Inc. or the General Partner shall cease to be a wholly-owned direct or indirect subsidiary of Oppenheimer Acquisition Corp. or such other Person that controls Oppenheimer Acquisition Corp. as of the Closing Date, or OppenheimerFunds, Inc. shall cease to be an Affiliate of the General Partner, the Borrower shall on or prior to the date which is thirty (30) days after any such event has occurred, prepay all outstanding Advances, together with all accrued and unpaid Yield thereon.

(e) Subject to Section 7.03, the amount of each prepayment by the Borrower under this Section 2.05 shall be applied ratably to the Advances provided to the Borrower in the order in which such Advances were made; provided, however, that the amount of such prepayment shall be applied first to any such outstanding Advances in respect of which Yield is computed by reference to the Alternate Base Rate, second to any such outstanding Advances in respect of which Yield is computed by reference to LIBOR, and third to any such outstanding Advances in respect of which Yield is computed by reference to the CP Rate.

SECTION 2.06. Yield.

The Borrower hereby agrees to pay the Yield computed with reference to the principal amount of each Advance outstanding from time to time. Yield accruing in respect of any Advance for any Settlement Period shall be due and payable on the Settlement Date immediately succeeding such Settlement Period and as required by Section 2.05. It is the intention of the parties hereto that the Yield on the Advances shall not exceed the maximum rate permissible under applicable law. Accordingly, anything herein or in any Advance Note to the contrary notwithstanding, in the event any Yield is charged to, collected from or received from or on behalf of the Borrower by the Conduit Lender or the Secondary Lenders pursuant hereto or thereto in excess of such maximum lawful rate, then the excess of such payment over that maximum shall be applied first to the payment of amounts then due and owing by the Borrower to the Secured Parties under the Program Documents (other than in respect of principal and Yield on Advances) and then to the reduction of the outstanding principal balance of the Advances.

SECTION 2.07. Increased Costs.

(a) If, due to either (i) the introduction of or any change (other than any change by way of imposition or increase of reserve requirements reflected in the LIBOR Reserve Percentage) in or in the interpretation of any Applicable Law or (ii) the compliance with any guideline or request from any central bank or other Authority (whether or not having the force of law) issued, made or changed after the Closing Date, there shall be any increase in the cost to any Affected Person of agreeing to make or making, funding or maintaining LIBOR Advances to the Borrower, then the Borrower shall from time to time, upon demand by such Affected Person pay to the Agent for the account of such Affected Person additional amounts sufficient to compensate such Affected Person for such increased cost. A certificate as to the amount of such increased cost, submitted to the Borrower by an Affected Person as promptly as practicable after it becomes aware of such event or circumstance giving rise to such increased cost, shall be conclusive and binding for all purposes, absent manifest error; provided, that, the Borrower's obligation to compensate any Affected Person for the amount of any increased cost payable under this Section 2.07(a) specified in any such certificate delivered by such Affected Person which has accrued or was incurred prior to the delivery of such certificate, shall be limited to amounts accrued or incurred by such Affected Person during the 90 day period preceding such Affected Persons' delivery of such certificate provided that if the event giving rise to such increased cost or reduction is retroactive, then the 90 day period referred to above shall be extended to include the period of the retroactive effect thereof.

(b) If an Affected Person reasonably determines that compliance with any Applicable Law after the Closing Date or request after such date from any central bank or other Authority charged with the interpretation or administration thereof (whether or not having the force of law) or the occurrence of any Accounting Based Consolidation Event after the Closing Date (i) affects or would affect the amount of capital required or reasonably expected to be maintained by such Affected Person and that the amount of such capital is increased by or based upon the existence of such Affected Person's commitment under the Program Documents or any Asset Purchase Agreement or upon such Affected Person's making, funding or maintaining Advances, (ii) increases the cost of making or maintaining such commitment under the Program Documents or any Asset Purchase Agreement or making, funding or maintaining such Advances to any Affected Person or (iii) reduces the return of an Affected Person in connection with the Program Documents or any Asset Purchase Agreement, then, upon written demand of such Affected Person (with a copy of such demand to the Agent), the Borrower shall immediately pay to the Agent for the account of such Affected Person, from time to time as specified by such Affected Person, additional amounts sufficient to compensate such Affected Person for such increased cost and/or reduced return in light of such circumstances. A certificate setting forth in reasonable detail such amounts and the circumstances giving rise thereto submitted to the Borrower by such Affected Person shall be conclusive and binding for all purposes, absent manifest error.

(c) Upon the occurrence of any event giving rise to the Borrower's obligation to pay additional amounts to any Affected Person pursuant to Sections 2.07(a), 2.07(b) or 9.03, such Affected Person will, if requested by the Borrower, use reasonable efforts with the object of avoiding any future consequences of the event giving rise to the operation of any such Section (subject to overall policy considerations of such Affected Person) to designate a different lending

office; provided, however, that such designation is made on such terms that such Affected Person and its lending office suffer no significant economic, legal or regulatory disadvantage. If such additional amounts are not eliminated by any such designation and such Affected Person does not waive payment of such additional amounts, the Agent, may at its sole discretion within sixty (60) days, recommend a replacement Affected Person not so affected. If after the sixty (60) day period described in the preceding sentence a replacement for such Affected Person has not been procured in accordance with the preceding sentence, the Borrower may propose a replacement for such Affected Person and, upon approval of the Agent (which approval shall not be unreasonably withheld or delayed), such Affected Person shall assign its interests under the applicable Program Documents to such replacement entity. The parties hereby agree that unless and until the Affected Person to be replaced (i) is paid in full for all amounts due and owing to it hereunder and under any other Program Document, and (ii) enters into assignment documents with the replacement entity which are reasonably satisfactory to such Affected Person, it shall have no obligation to assign any of its rights and interests hereunder. Each such Affected Person agrees to take all actions necessary to permit a replacement entity to succeed to its rights and obligations hereunder and under the other Program Documents. The Borrower agrees to pay all reasonable expenses incurred by any Affected Person in utilizing another lending office of such Affected Person or in assigning its interest pursuant to this Section 2.07(c). Nothing in this Section 2.07(c) shall affect or postpone any of the obligations of the Borrower or the rights of any Secured Party.

SECTION 2.08. Compensation.

Without duplication of any amount due by the Borrower in respect of any Liquidation Fee, the Borrower shall compensate each Affected Person, upon its written request (which request shall set forth the basis for requesting such amounts), for all reasonable losses, expenses and liabilities (including, without limitation, any interest paid by such Affected Person to lenders of funds borrowed by it to make or carry its LIBOR Advances made to the Borrower and any loss sustained by such Affected Person in connection with the re-employment of such funds), which such Affected Person may sustain: (i) if for any reason (other than a default by such Affected Person) a borrowing of any LIBOR Advance by the Borrower does not occur on a date specified therefor in the Notice of Borrowing (whether or not withdrawn), (ii) if any prepayment of any of the Borrower's LIBOR Rate Advances occurs on a date which is not the last day of a Settlement Period applicable thereto, (iii) if any prepayment of any of the Borrower's LIBOR Advances is not made on any date specified in a notice of prepayment given by the Borrower, or (iv) as a consequence of any other default by the Borrower to repay its LIBOR Advances when required by the terms of this Agreement.

SECTION 2.09. Additional Yield on LIBOR Advances.

So long as any Affected Person shall be required under regulations of the Board of Governors of the Federal Reserve System to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency Liabilities, the Borrower shall pay to such Affected Person LIBOR Additional Yield on the principal amount of each outstanding Advance made to the Borrower on each date on which Yield is payable on such Advance. Such LIBOR Additional Yield shall be determined by such Affected Person and notified to the Borrower through the Agent within thirty (30) days after any payment is made with respect to which such

additional Yield is requested. A certificate as to such LIBOR Additional Yield submitted to the Borrower and the Agent shall be conclusive and binding for all purposes, absent manifest error.

SECTION 2.10. Termination or Reduction of the Total Commitment.

The Borrower may at any time, upon ten (10) days prior written notice to the Agent in its sole and absolute discretion terminate in whole or reduce in part the unused portion of the Total Commitment; provided, that each such partial reduction of the Total Commitment shall be in an amount equal to at least \$5,000,000 or an integral multiple thereof.

SECTION 2.11. Rescission or Return of Payment.

The Borrower further agrees that, if at any time all or any part of any payment theretofore made by it to any Secured Party or their designees is or must be rescinded or returned for any reason whatsoever (including, without limitation, the insolvency, bankruptcy or reorganization of the Borrower or any of its affiliates), the obligation of the Borrower to make such payment to such Secured Party shall, for the purposes of this Agreement, to the extent that such payment is or must be rescinded or returned, be deemed to have continued in existence and this Agreement shall continue to be effective or be reinstated, as the case may be, as to such obligations, all as though such payment had not been made.

SECTION 2.12. Fees Payable by Borrower.

The Borrower agrees to pay the Agent such fees as are set forth in the Fee Letter.

SECTION 2.13. Post Default Interest.

The Borrower hereby promises to pay interest on the unpaid principal amount of each Advance and any other Borrower Obligation payable by it, in each case, which shall not be paid in full when due, for the period commencing on the due date thereof until but not including the date the same is paid in full at the Post-Default Rate. Interest payable at the Post-Default Rate shall be payable on the Agent's demand.

SECTION 2.14. Payments.

(a) All amounts owing and payable to any Secured Party, any Affected Person or any Indemnified Party, in respect of the Advances and other Borrower Obligations, including, without limitation, the principal thereof, Yield, fees, indemnities, expenses or other amounts payable under the Program Documents, shall be paid in Dollars, in immediately available funds on or prior to 11:00 a.m. (New York City time) on the date due without counterclaim, setoff, deduction, defense, abatement, suspension or deferment. Any payment paid after 11:00 a.m. (New York City time) on any day shall be deemed to have been made on the next Business Day for all purposes of this Agreement.

(b) All computations of interest at the Post-Default Rate and all computations of Yield, fees and other Borrower Obligations shall be made on the basis of a year of 360 days for the actual number of days elapsed. Whenever any payment or deposit to be made hereunder shall be due on a day other than a Business Day, such payment or deposit shall be made on the

next succeeding Business Day and such extension of time shall be included in the computation of such payment or deposit.

(c) Subject to Section 7.03 and except as otherwise expressly provided in this Agreement, upon receipt of funds deposited into the Agent's Account, the Agent shall distribute such funds, first to the Lenders and the Secondary Lenders in payment in full of all accrued and unpaid Yield owing to the Lenders and Secondary Lenders in respect of the Advances then due and payable, second to the Lenders, the Secondary Lenders or the Agent in payment of any other fees or other amounts owed by the Borrower to the Lenders, the Secondary Lenders and the Agent under this Agreement and the other Program Documents (other than in respect of the principal amount of the Advances) then due and payable, third to the Secured Parties and the Affected Persons on a pro rata basis in accordance with the other amounts (other than amounts payable under clause fourth below) owed to each such Person then due and payable, and fourth to the payment of the principal amount of the Advances.

(d) During the continuance of an Event of Default all payments in respect of the Borrower Obligations, payable by or on behalf of the Borrower, including all Proceeds resulting from the sale or disposition of the Assigned Collateral shall be remitted to the Agent's Account and applied in accordance with Section 7.03(a).

SECTION 2.15. Ratable Payments.

If any Secondary Lender or Lender (other than the Conduit Lender), whether by set-off, bankers' lien, counterclaim or otherwise, has payment made to it with respect to any Borrower Obligations owing to it in a greater proportion than that received in respect of such Facility by any other Lender or Secondary Lender entitled to receive a ratable share of such payments, such Lender or Secondary Lender agrees, promptly upon demand, to purchase for cash without recourse or warranty a portion of such unpaid Borrower Obligations held by the other Lenders and Secondary Lenders so that after such purchase each Lender and Secondary Lender will hold its ratable proportion of such unpaid Borrower Obligations; provided that if all or any portion of such excess amount is thereafter recovered from such Secondary Lender or Lender, as the case may be, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

SECTION 2.16. Obligations Absolute.

Each of the Borrower's and the General Partner's obligations under this Agreement and under the other Program Documents shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms hereof and thereof, under any and all circumstances and irrespective of any setoff, counterclaim or defense to payment which the Borrower, the General Partner or any other Person may have or have had against any Secured Party or any other Person.

ARTICLE III CONDITIONS PRECEDENT

This Agreement may be executed in any number of counterparts and by different parties hereto on separate counterparts, each of which counterparts, when so executed and delivered, shall be deemed to be an original and all of which counterparts, taken together, shall constitute but one and the same Agreement.

SECTION 9.06. Assignability.

(a) This Agreement and the Conduit Lender's rights and obligations herein (including the outstanding Advances) shall be assignable by the Conduit Lender and its successors and assigns to an Eligible Assignee; provided, that without the prior written consent of the Borrower (which consent shall not be unreasonably withheld or delayed and which consent shall, in any event not be required if an Event of Default shall have occurred and be continuing in respect of the Borrower) the Conduit Lender shall not assign its rights and obligations under this Agreement to any Person other than to a special purpose entity that issues commercial paper notes which is a U.S. Affiliate of the Agent. Each such assignor shall notify the Agent and the Borrower of any such assignment. Each such assignor may, in connection with the assignment or participation, disclose to the assignee or participant any information relating to the Borrower, including the Assigned Collateral of the Borrower, furnished to such assignor by or on behalf of the Borrower or by the Agent; provided that, prior to any such disclosure, the assignee or participant agrees to preserve the confidentiality of any confidential information relating to the Borrower received by it from any of the foregoing entities. Notwithstanding the foregoing, without the consent of the Borrower or the General Partner, the Conduit Lender may, pursuant to the Asset Purchase Agreement or otherwise, sell, assign, transfer and convey all or any portion of the Advances maintained by it, together with all rights hereunder, under the other Program Documents and under any Asset Purchase Agreement in respect thereof, to Citibank and any other bank or financial institution which is also a Secondary Lender.

(b) Each Secondary Lender may, with the consent of the Borrower (which consent shall not be unreasonably withheld or delayed and which consent shall, in any event, not be required if an Event of Default shall have occurred and be continuing in respect of the Borrower), assign to any Eligible Assignee or to any other Secondary Lender all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Secondary Lender Commitment and the outstanding Advances or interests therein owned by it); provided, that the Borrower's consent to any such assignment shall not be required if the assignee is an existing Secondary Lender. The parties to each such assignment shall execute and deliver to the Agent an Assignment and Acceptance. Notwithstanding any other provision of this

Section 9.06, any Secondary Lender may at any time pledge or grant a security interest in all or any portion of its rights (including, without limitation, rights to payment of principal and Yield) under this Agreement to secure obligations of such Secondary Lender to a Federal Reserve Bank, without notice to or consent of the Borrower, the General Partner or the Agent; provided that no such pledge or grant of a security interest shall release such Secondary Lender from any of its obligations hereunder or substitute any such pledgee or grantee for such Secondary Lender as a party hereto.

(c) This Agreement and the rights and obligations of the Agent herein shall be assignable by the Agent and its successors and assigns.

(d) Neither the Borrower nor the General Partner may assign its rights or obligations hereunder or any interest herein without the prior written consent of the Agent.

(e) Each of the Borrower and the General Partner acknowledges and agrees that the Secondary Lender's source of funds may derive in part from its participants. Accordingly, references in Sections 2.06, 2.07, 2.10, 9.03 and 9.04 and the other terms and provisions of this Agreement, the other Program Documents and any Asset Purchase Agreement to rates, determinations, reserve and capital adequacy requirements, expenses, increased costs, reduced receipts and the like as they pertain to the Secondary Lenders shall be deemed also to include those of each of its participants; provided, that no participant shall be entitled to any amount under any such Sections or provisions, which is greater than the amount the related Lender or Secondary Lender, as the case may be, would have been entitled to under any such Sections or provisions if the applicable participation had not occurred.

(f) The Agent shall maintain at its address specified in Section 9.02 or such other address as the Agent shall designate in writing to the Lenders and Secondary Lenders, a copy of this Agreement and each signature page hereto and each Assignment and Acceptance delivered to and accepted by it and a register (the "Register") for the recordation of the names and addresses of the Lenders, the Secondary Lender Commitments of the Secondary Lenders, effective dates and Secondary Lender Stated Expiration Date, and the aggregate outstanding principal amount of the outstanding Advances maintained by each Lender and Secondary Lender under this Agreement. The entries in the Register shall be conclusive and binding for all purposes subject to Section 2.03(c) and absent manifest error, and the Borrower, the General Partner, the Agent, the Lenders and the Secondary Lenders may treat each person whose name is recorded in the Register as a Lender or Secondary Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower, the General Partner or any Lender or Secondary Lender at any reasonable time and from time to time upon reasonable prior notice.

SECTION 9.07. Governing Law.

THIS AGREEMENT SHALL BE DEEMED TO BE A CONTRACT MADE UNDER THE LAWS OF THE STATE OF NEW YORK, AND FOR ALL PURPOSES SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF SAID STATE.

SECTION 9.08. Severability of Provisions.

Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

SECTION 9.09. Confidentiality.

(a) Each of the Borrower and the General Partner agrees that it shall and shall cause each of its Affiliates (i) to keep this Agreement, the Control Agreement, each Cash Account Control Agreement, the Fee Letter, the Side Letter, the proposal relating to the structure of the facility contemplated by this Agreement and the other Program Documents, (the "Program"), any analyses, computer models, information or document prepared by the Agent, Citibank or any of their respective Affiliates in connection with the Program, the Agent's or its Affiliate's written reports to the Borrower, the General Partner or any of their respective Affiliates and any related written information (collectively, the "Product Information") confidential and to disclose Product Information only to those of its officers, employees, agents, accountants, legal counsel and other representatives (collectively, the "Borrower Representatives") who have a need to know such Product Information for the purpose of assisting in the negotiation, completion and administration of the Program; (ii) to use the Product Information only in connection with the Program and not for any other purpose; and (iii) to cause the Borrower Representatives to comply with the provisions of this Section 9.09 and to be responsible for any failure of any Borrower Representative to so comply. The Borrower nor the General Partner shall disclose Product Information to any third-party for the purpose of enabling such third-party to provide senior debt to the Borrower.

The provisions of this Section 9.09(a) shall not apply to any Product Information that is a matter of general public knowledge or that has heretofore been made available to the public by any Person other than the Borrower, the General Partner, any of their respective Affiliates or any Borrower Representative or that is required to be disclosed by applicable law or regulation or is requested by any Authority with jurisdiction over the Borrower, the General Partner, any Borrower Representative or any of their respective Affiliates, it being understood that any such disclosure or filing shall not relieve the Borrower, the General Partner, any of their respective Affiliates or any Borrower Representative of any of its obligations under this Section 9.09(a). Each of the Borrower and the General Partner agree that if any Product Information is required by applicable law or regulation to be included by it in any filing with the SEC or any other Authority it shall, in consultation with the Agent, use its reasonable best efforts to "black-out" all information which is not necessary under applicable law or regulation to be included in such filing which the Agent deems is of a sensitive nature and in no event shall the Fee Letter, the Investor Report or any Weekly Report be disclosed in any such filing.

(b) Each of the Secured Parties agrees (i) to keep all non-public information with respect to the Borrower, the General Partner, the Parent and their respective Affiliates which such Secured Party receives pursuant to or in connection with the Program Documents or in anticipation of entering into the Program Documents, including without limitation, (i) all documents which are prepared by the Borrower, the General Partner, the Parent, any Affiliate of

the General Partner or the Parent or any of their respective directors, officers, employees or agents, including all correspondence, memoranda, notes, questionnaires, summaries, analyses, studies, models, extracts of an documents and records reflecting, based upon or derived from any such proprietary information, and (ii) the whole or part of any proprietary information regarding the design and implementation of the Borrower's, the General Partner's and the Parent's computer models or systems and the processes and techniques it utilizes in its business, research and trading activities that is considered to be a "trade secret" as that term is defined under applicable law, (collectively, the "Borrower Information") confidential and to disclose Borrower Information only to those of its officers, employees, agents, accountants, legal counsel and other representatives of the Secured Parties (collectively, the "Secured Party Representatives"), to providers of program-wide credit enhancement for the Conduit Lender, to any actual or potential subordinated investor in the Conduit Lender, liquidity provider or credit enhancer if such investor, liquidity provider or credit enhancer, as the case may be, has signed a confidentiality agreement on the terms of this Section 9.09(b) and the Agent has provided notice to the Borrower prior to disclosing any Borrower Information to any such investor, liquidity provider or credit enhancer, and to S&P, Moody's and any other rating agency that rates the promissory notes of the Conduit Lender, provided that the Agent shall provide notice to the Borrower prior to disclosing any Borrower Information to any such rating agency, which, in each case, may have a need to know or review such Borrower Information for the purpose of assisting in the negotiation, completion, administration and evaluation of the Program; (ii) to use the Borrower Information only in connection with the Program and not for any other purpose; and (iii) to cause its related Secured Party Representatives to comply with the provisions of this Section 9.09(b) and to be responsible for any failure of any Secured Party Representative to so comply.

The provisions of this Section 9.09(b) shall not apply to any Borrower Information that is a matter of general public knowledge or that has heretofore been made available to the public by any Person other than any Secured Party or any Secured Party Representative or that is required to be disclosed by applicable law or regulation or is requested by any Authority with jurisdiction over any Secured Party or Secured Party Representative or any of its Affiliates, it being understood that any such disclosure or filing shall not relieve such Secured Party, Secured Party Representative or any of their respective Affiliates of any of its obligations under this Section 9.09(b). In the event that a Secured Party or a Secured Party Representative is requested or required (by oral questions, interrogatories, requests for information or documents, subpoenas, civil investigative demands or similar processes) to disclose any Borrower Information, it is agreed that such Secured Party or Secured Party Representative will consult with the Borrower, as appropriate as to the advisability of taking legally available steps to resist or narrow such request. It is further agreed that, if such Secured Party or Secured Party Representative is nonetheless compelled to disclose any Borrower Information to any tribunal, such Secured Party or Secured Party Representative may disclose such Borrower Information to such tribunal without liability hereunder; provided, however, that such Secured Party or Secured Party Representative shall give the Borrower prompt written notice of the Borrower Information to be so disclosed as far in advance of its disclosure as is practicable and shall in good faith attempt to obtain an order or other reliable assurance that confidential treatment will be accorded to such portion of the information required to be disclosed as the Borrower, as appropriate designates.

Notwithstanding the foregoing, the Borrower Information may be disclosed by any Secured Party Representative to permitted assignees and participants and potential assignees and participants in the Program to the extent such disclosure is made pursuant to a written agreement of confidentiality substantially similar to this Section 9.09(b).

(c) Notwithstanding anything in this Section 9.09 to the contrary, each of the Borrower, the General Partner and the Borrower Representatives may disclose to any and all persons, without limitation of any kind, the U.S. tax treatment and U.S. tax structure of the Program and all materials of any kind (including opinions or other tax analyses) that are provided to it, relating to such U.S. tax treatment and U.S. tax structure of the Program, other than any information for which nondisclosure is reasonably necessary in order to comply with applicable securities laws.

SECTION 9.10. Claims Against the General Partner.

Subject to the immediately succeeding sentence, the General Partner hereby acknowledges and agrees that it shall be liable for all of the Borrower Obligations. The Agent, each Lender and each Secondary Lender hereby agree that it shall not pursue any remedy against the General Partner for the payment of any unpaid fee, cost, expense or other Borrower Obligation owed by the Borrower or the General Partner under this Agreement (including without limitation in respect of principal and Yield on the outstanding Advances but excluding amounts payable in connection with clause (viii) of Section 9.04(b) until the earlier to occur of (i) the day on which the Agent on behalf of the Secured Parties has exhausted all remedies available to it in respect of the Assigned Collateral, and (ii) the day which is thirty (30) days from the day on which such fee, cost, expense or other Borrower Obligation became due and payable.

SECTION 9.11. Merger.

The Program Documents taken as a whole incorporate the entire agreement between the parties thereto concerning the subject matter thereof. The Program Documents supersede any prior agreements among the parties relating to the subject matter thereof, including without limitation the Confidentiality Agreement dated as of April 5, 2005 between Citibank and the Parent.

SECTION 9.12. No Proceedings; No Recourse.

(a) Each of the Borrower, the General Partner, the Agent, the Secondary Lenders and each assignee of an Advance or any interest therein and each entity which enters into a commitment to make Advances hereunder hereby agrees that it will not institute against the Conduit Lender any proceeding of the type referred to in Section 6.01(f) so long as any promissory note or other senior indebtedness issued by the Conduit Lender shall be outstanding or there shall not have elapsed one year plus one day since the last day on which any such promissory note or other senior indebtedness shall have been outstanding.

(b) The obligations of the Conduit Lender under and in connection with this Agreement and the other Program Documents are solely the obligations of the Conduit Lender. It is expressly agreed that no recourse shall be had for the payment of any amount owing in

respect of this Agreement or any other Program Document or for any other obligation or claim arising out of or based upon this Agreement or any other Program Document, against any member, stockholder, employee, officer, manager, director, organizer or incorporator of the Conduit Lender or against any member, stockholder, employee, officer, manager, director, organizer or incorporator of any such member, stockholder or manager.

SECTION 9.13. Survival of Representations and Warranties.

All representations and warranties made hereunder, in the other Program Documents and in any document, certificate or statement delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery of this Agreement and the making of the Advances hereunder. The agreements in Sections 2.07, 2.10, 2.11, 2.15, 9.03, 9.04, 9.09, 9.10 and 9.12 shall survive the termination of this Agreement in whole or in part and the payment in full of the principal and Yield on the advances.

SECTION 9.14. Submission to Jurisdiction; Waivers; Etc.

Each of the Borrower and the General Partner hereby irrevocably and unconditionally:

- (a) submits for itself and its property in any legal action or proceeding relating to this Agreement or the other Program Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York, and the appellate courts of any of them;
- (b) consents that any such action or proceeding may be brought in any of such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;
- (c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to it at its address set forth in Section 9.02 or at such other address as may be permitted thereunder;
- (d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction or court;
- (e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding against any Secured Party arising out of or relating to this Agreement or any other Program Document any special, exemplary, punitive or consequential damages; and
- (f) acknowledges and agrees that in addition to any right of setoff, banker's lien or counterclaim a Secured Party may otherwise have, each Secured Party shall be entitled, at its option, to set-off any amount owing by it to the Borrower or the General Partner or any

balances held by it for the account of the Borrower or the General Partner against any Borrower Obligations then outstanding.

SECTION 9.15. E-Mail Reports.

Subject to the following terms and conditions the Borrower and the General Partner may, unless otherwise notified to the contrary by the Agent, transmit Investor Reports and Weekly Reports to the Agent by electronic mail (each an "E-Mail Report"). Each E-Mail Report shall be formatted as the Agent may designate from time to time. Each E-Mail Report shall be sent to the Agent at an electronic mail address designated by the Agent, and the executed "summary sheet" for each E-Mail Report shall be transmitted via facsimile transmission to the Agent at the facsimile numbers specified for the Agent in Section 9.02.

SECTION 9.16. Waiver of Jury Trial.

EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER PROGRAM DOCUMENT OR FOR ANY COUNTERCLAIM THEREIN OR RELATING THERETO.

SECTION 9.17. Several Obligations.

Except for the commitment of the Secondary Lenders to make Advances if the Conduit Lender has declined to make an Advance to the extent expressly required by Section 2.02, no Lender or Secondary Lender shall be responsible for the failure of any other Lender or Secondary Lender to make any Advance or to perform any obligation on this Agreement, any Asset Purchase Agreement or any other Program Document. The Agent shall not have any liability to the Borrower, the General Partner, any Lender or any Secondary Lender for the Borrower's, the General Partner's, any Lender's or any Secondary Lender's, as the case may be, performance of, or failure to perform, any of their respective obligations and duties under this Agreement, any Asset Purchase Agreement or any other Program Document. The Agent shall not have any liability to the Borrower, the General Partner, any Lender or any Secondary Lender for the Borrower's, the General Partner's, any Lender's or any Secondary Lender's, as the case may be, performance of, or failure to perform, any of their respective obligations and duties under this Agreement, any Asset Purchase Agreement or any other Program Document.

SECTION 9.18. Certain Waivers.

(a) The parties hereto acknowledge and agree that, the Borrower shall not be deemed to be in breach of Sections 4.01(x), 5.01(k) or 5.02(e) solely as a result of its existing accounts with Comerica Bank, if the Borrower (i) on or prior to June 30, 2005 shall have (x) established new accounts with Citibank, N.A. or another account institution which is reasonably satisfactory to the Agent, (y) shall have caused such account institution to enter into a Cash Account Control Agreement with the Agent and the Borrower in form, scope and substance reasonably satisfactory to the Agent and (z) caused to be delivered to the Agent such opinions of counsel as the Agent shall have reasonably requested all in form, scope and substance reasonably

The date and principal amount of each Advance made to the Borrower and of each repayment of principal thereon shall be recorded by the [Conduit Lender] [Secondary Lender] or its designee on Schedule I attached to this Advance Note, and the aggregate unpaid principal amount shown on such schedule shall be rebuttable presumptive evidence of the principal amount owing and unpaid on the Advances made by the [Conduit Lender] [Secondary Lender]. The failure to record or any error in recording any such amount on such schedule shall not, however, limit or otherwise affect the obligations of the Borrower hereunder or under the Credit Agreement to repay the principal amount of the Advances together with all Yield accrued thereon.

THIS PROMISSORY NOTE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

DESCRIPTION OF INVESTMENT STYLE

The Fund seeks long-term capital growth. To achieve its objective, the Fund entrusts the management of its assets to investment advisors that have conservative investment styles and have demonstrated, over a prolonged period of time and under all economic and market conditions, their ability to achieve consistent returns. The Fund currently has investments with only one manager, and has the right to add additional managers, but does not currently anticipate doing so.

The investment advisor presently employed by the Fund invests exclusively in the United States and utilizes a non-traditional investment strategy, which is often described as a "split-strike conversion". This strategy consists of (i) purchasing equity shares, (ii) selling related out-of-the-money call options which represent a number of underlying shares equal to the number of shares purchased, and, (iii) buying related out-of-the-money or at-the-money put options representing the same number of underlying shares.¹ A properly executed strategy along these lines will limit losses if the price of the stock declines, while still affording upside potential (albeit capped at the strike price of the short call) should the stock price rise.

The investment advisor presently employed by the Fund utilizes a strategy, which entails:

- (i) purchasing a basket of 30 to 35 large-capitalization S&P 100 Index ²("OEX") stocks (e.g., American Express, Boeing, Citicorp, Coca Cola, Du Pont, Exxon, General Motors, IBM, Merck, McDonald's, et cetera) which, at the time the purchases are made, presents a high degree of correlation with the general market;
- (ii) selling out-of-the-money OEX Index call options representing a dollar amount of the underlying Index equivalent to the dollar amount of the basket of shares purchased;
- (iii) purchasing out-of-the-money or at-the-money OEX Index puts in the same dollar amount.

¹A call option is a contract that gives the holder the right (but not the obligation) to purchase the underlying stock (or other security, index, currency et cetera) at a specified price during a predetermined period of time. For the writer (or seller) of a call option, the contract represents an obligation to sell stock (or another underlying instrument) if the option is exercised.

A put option is a contract that gives the holder the right (but not the obligation) to sell the underlying stock (or other security, index, currency et cetera) at a specified time during a predetermined period of time. For the writer (or seller) of a put option, the contract represents an obligation to buy stock (or another underlying instrument) if the option is exercised.

A call option is out-of-the-money when its strike price is higher than the current price of the underlying stock, a put option is out-of-the-money when its strike price is lower than the current stock price, and a put option is at-the-money when its strike price is the same as the price of the underlying shares.

²OEX is the symbol for options on the S&P 100 Index. This is a capitalization-weighted index, covering a broad-range of industries. Each index option contract represents 100 times the current value of the index. For example, when the index is 500, the dollar value of the index will equal \$50,000. 100 (the multiplier) times 500.

DESCRIPTION OF INVESTMENT STYLE

A proprietary computer system continuously optimises the basket of stocks to replicate and enhance the performance of the overall market (S&P 100 Index) at low cost. The put and call options positions are actively managed as strike prices and maturities are adjusted as a function of relative valuations and general market movements. The collection of dividends on the basket of stocks constitutes an integral part of the strategy.

Example:

Assuming the S&P 100 Index trades at \$491, a purchase is made of a basket of stocks (at the market) with an overall value of \$10,000,000, accompanied by the simultaneous purchase of an appropriate number of 3-month puts, with a strike price of \$490 and the sale of 3-month calls with a strike price of \$505.

The number of puts and calls needed to obtain an exposure approximately equivalent to the market value of the basket of stocks is calculated by dividing the market value of the equity portfolio (\$10,000,000), by the current level of the S&P 100 Index (491), and by further dividing the result by the number of Index units represented by each option (100). In this example, 204 puts should be purchased and 204 calls should be sold ($10,000,000 \div 491 \div 100$).

At a price of \$6.00 each, the cost of purchasing 204 puts is \$122,400 ($204 \times \600). At a unit price of \$3.50, proceeds from the sale of 204 calls is \$71,400 ($204 \times \350). Because the sale of the calls partially finances the purchase of the puts, the net cost of the options strategy is \$51,000 (\$122,400 paid less \$71,400 received), and the total cost of the strategy is, therefore, \$10,051,000 (\$10,000,000 plus \$51,000).

The downside break-even level of the S&P 100 Index is \$488.50 ($\$491 - \$6.00 + \3.50, i.e., the current level of the S&P 100 Index less the price of the puts plus the price of the calls), which represents a market decline of -0.51%. Additionally, assuming the equity portfolio receives quarterly dividends yielding 2.6% on an annualized basis (or \$3.20 quarterly for the S&P 100 Index), the break-even level of the S&P 100 Index is raised to \$491.70 ($\$491 - \$6.00 + \$3.50 + \3.20), or an increase of +0.15%.

This attractive level of downside protection, though, has its counterpart in the fact that the upside potential is limited to an S&P 100 Index of 505 (the strike price of the calls sold, because at that level the calls would be exercised), or a market rise of +2.85% (plus dividends).

RETURN PROFILE

The following table illustrates a picture of the return profile at option expiration over a 3-month period (assuming a static strategy up to the expiration of the options, and including extreme calculations to show that no further changes occur beyond the strike prices of the puts - 490, and of the calls - 505)

Range Market Outcomes	S&P 100 Expiration Price	Market Value Equity Portfolio	Market Value Options Positions	Market Value of Quarterly Dividends	Profit/(loss) of Combined Portfolio	Combined Portfolio	Percent Change
+10.00%	540.10	11,000,000	(716,040)	65,000	10,348,960	297,960	+2.98%
+2.85%	505.00	10,285,000	0	65,000	10,350,000	299,000	+2.99%
0	491.00	10,000,000	0	65,000	10,065,000	14,000	+0.14%
-0.51%	490.00	9,949,000	30,600	65,000	10,044,600	(6,400)	-0.06%

¹ As the market goes higher, the value of the put options declines to zero, while the short call options position increases in value, thus augmenting losses. Conversely, as the market goes lower, the value of the put options increases and generates profits, while the value of the short call position goes down to zero.

DESCRIPTION OF INVESTMENT STYLE

The Fund seeks long-term capital growth. To achieve its objective, the Fund entrusts the management of its assets to investment advisors that have conservative investment styles and have demonstrated, over a prolonged period of time and under all economic and market conditions, their ability to achieve consistent returns. The Fund currently has investments with only one manager, and has the right to add additional managers, but does not currently anticipate doing so.

The investment advisor presently employed by the Fund invests exclusively in the United States and utilizes a non-traditional investment strategy, which is often described as a "split-strike conversion". This strategy consists of (i) purchasing equity shares, (ii) selling related out-of-the-money call options which represent a number of underlying shares equal to the number of shares purchased, and, (iii) buying related out-of-the-money or at-the-money put options representing the same number of underlying shares.¹ A properly executed strategy along these lines will limit losses if the price of the stock declines, while still affording upside potential (albeit capped at the strike price of the short call) should the stock price rise.

The investment advisor presently employed by the Fund utilizes a strategy, which entails:

- (i) purchasing a basket of 30 to 35 large-capitalization S&P 100 Index ²("OEX") stocks (e.g., American Express, Boeing, Citicorp, Coca Cola, Du Pont, Exxon, General Motors, IBM, Merck, McDonald's, et cetera) which, at the time the purchases are made, presents a high degree of correlation with the general market;
- (ii) selling out-of-the-money OEX Index call options representing a dollar amount of the underlying Index equivalent to the dollar amount of the basket of shares purchased;
- (iii) purchasing out-of-the-money or at-the-money OEX Index puts in the same dollar amount.

¹A call option is a contract that gives the holder the right (but not the obligation) to purchase the underlying stock (or other security, index, currency et cetera) at a specified price during a predetermined period of time. For the writer (or seller) of a call option, the contract represents an obligation to sell stock (or another underlying instrument) if the option is exercised.

A put option is a contract that gives the holder the right (but not the obligation) to sell the underlying stock (or other security, index, currency et cetera) at a specified time during a predetermined period of time. For the writer (or seller) of a put option, the contract represents an obligation to buy stock (or another underlying instrument) if the option is exercised.

A call option is out-of-the-money when its strike price is higher than the current price of the underlying stock; a put option is out-of-the-money when its strike price is lower than the current stock price; and a put option is at-the-money when its strike price is the same as the price of the underlying shares.

²OEX is the symbol for options on the S&P 100 Index. This is a capitalization-weighted index, covering a broad-range of industries. Each index option contract represents 100 times the current value of the index. For example, when the index is 500, the dollar value of the index will equal \$50,000. 100 (the multiplier) times 500.

DESCRIPTION OF INVESTMENT STYLE

A proprietary computer system continuously optimises the basket of stocks to replicate and enhance the performance of the overall market (S&P 100 Index) at low cost. The put and call options positions are actively managed as strike prices and maturities are adjusted as a function of relative valuations and general market movements. The collection of dividends on the basket of stocks constitutes an integral part of the strategy.

Example:

Assuming the S&P 100 Index trades at \$491, a purchase is made of a basket of stocks (at the market) with an overall value of \$10,000,000, accompanied by the simultaneous purchase of an appropriate number of 3-month puts, with a strike price of \$490 and the sale of 3-month calls with a strike price of \$505.

The number of puts and calls needed to obtain an exposure approximately equivalent to the market value of the basket of stocks is calculated by dividing the market value of the equity portfolio (\$10,000,000), by the current level of the S&P 100 Index (491), and by further dividing the result by the number of Index units represented by each option (100). In this example, 204 puts should be purchased and 204 calls should be sold ($10,000,000 \div 491 \div 100$).

At a price of \$6.00 each, the cost of purchasing 204 puts is \$122,400 ($204 \times \600). At a unit price of \$3.50, proceeds from the sale of 204 calls is \$71,400 ($204 \times \350). Because the sale of the calls partially finances the purchase of the puts, the net cost of the options strategy is \$51,000 (\$122,400 paid less \$71,400 received), and the total cost of the strategy is, therefore, \$10,051,000 (\$10,000,000 plus \$51,000).

The downside break-even level of the S&P 100 Index is \$488.50 ($\$491 - \$6.00 + \3.50, i.e., the current level of the S&P 100 Index less the price of the puts plus the price of the calls), which represents a market decline of -0.51%. Additionally, assuming the equity portfolio receives quarterly dividends yielding 2.6% on an annualized basis (or \$3.20 quarterly for the S&P 100 Index), the break-even level of the S&P 100 Index is raised to \$491.70 ($\$491 - \$6.00 + \$3.50 + \3.20), or an increase of +0.15%.

This attractive level of downside protection, though, has its counterpart in the fact that the upside potential is limited to an S&P 100 Index of 505 (the strike price of the calls sold, because at that level the calls would be exercised), or a market rise of +2.85% (plus dividends).

RETURN PROFILE

The following table illustrates a picture of the return profile at option expiration over a 3-month period (assuming a static strategy up to the expiration of the options, and including extreme calculations to show that no further changes occur beyond the strike prices of the puts - 490, and of the calls - 505)

Range Market Outcomes	S&P 100 Expiration Price	Market Value Equity Portfolio	Market Value Options Positions	Market Value of Quarterly Dividends	Profit/(loss) of Combined Portfolio	Combined Portfolio	Percent Change
+10.00%	540.10	11,000,000	(716,040)	65,000	10,348,960	297,960	+2.98%
+2.85%	505.00	10,285,000	0	65,000	10,350,000	299,000	+2.99%
0	491.00	10,000,000	0	65,000	10,065,000	14,000	+0.14%
-0.51%	490.00	9,949,000	30,600	65,000	10,044,600	(6,400)	-0.06%
-10.00%	441.90	9,000,000	981,240	65,000	10,046,240	(4,760)	-0.05%

¹As the market goes higher, the value of the put options declines to zero, while the short call options position increases in value, thus augmenting losses. Conversely, as the market goes lower, the value of the put options increases and generates profits, while the value of the short call position goes down to zero.
